Keeping Rosedale Safe

① Did you know that one of your neighbors was burglarized recently?

① Did you notice a white van in the area recently?

① Did you know that one of your neighbors had men posing as workers on their property peering into windows?

① Did you know that door-to-door solicitors require city issued permits?

① Did you know that these solicitors are often scam artists checking out your neighborhood?

① Did you know that some of your neighbors were disturbed in the middle of the night by knocks at the door?

① Are you aware of when your neighbors are out of town?

For these reasons, in conjunction with the White Plains Police Department, we have established the [Rosedale Residential Association Neighborhood Watch](#) in our area and would appreciate your help. We would like to get volunteers from each of the zones (see over).
